Fire Department Captain AT Robert Tripp said the ver was complaining of a ver leg injury and suffered om multiple incidents of ad rash. Tripp said the driver d not lose consciousness, but is transported on advanced e support with two medics the ambulance.

"The driver was a trauma ert, but I believe he is going be fine," Tripp said.

The driver is a resident of Mayflower Street, Tripp said. The motorcycle is registered to his father.

Pat Buell told the Clipper he was driving the motorcycle 30 miles per hour around a blind corner near Christina Court Monday morning when he saw a long line of cars and engaged brakes. As he tried to stop, his rear wheel locked up and he skidded, falling to the pavement. Buell said he broke his tibia and fibula, but said it won't deter him from getting back on the motorcycle.

On Monday afternoon, Buell tweeted "C'est la Vie

thanks for the texts. Had to stop short & skidded out. 2 busted bones. Can't wait to get back on the horse! #Never Surrender."

School committee member Mary Lou Buell tweeted Monday afternoon, "Pat's quite out of it still. Had surgery on his leg at South Shore Hosp [sic] where he'll be recovering for next few days. Lucky boy!"

"I'll be riding again as soon as I'm recovered," Buell said.

The accident is under investigation by Duxbury Police.
